Aloha!

Mahalo for your interest in the 26th Annual Arizona Aloha Festival, to be held March 14 – 15, 2020.

Please read the "Merchandise Vendor Application" and the "Merchandise Vendor Regulations for Participation" carefully. Changes may have been made.

• The updated 2020 Regulations spell out city or other rules we must all follow and give instructions and tips about preparing your space, trash disposal, loading/unloading, parking, and the other details that make a successful event.

How vendors are selected:

• Please review the '**Fees, deposits and deadlines'** section of the Regulations to learn more about the vendor selection process.

Purchasing appropriate booth space:

A policy took effect in 2015 in response to concerns of the Tempe Fire Department, numerous complaints from survey respondees (the public), and complaints from vendors themselves. Please note:

- The damage deposit is meant to cover damages to tents, the park, or other items used during the event, not to imply you have purchased extra space.
- Vendors that extend beyond their purchased space will be billed for the extra space used. A photo will be provided to you to provide documentation for the calculation of the bill. Once the bill has been paid, the vendor may resume participation in future Festivals.
- We regret having to impose this policy, but The Festival must plan the Park space use carefully to comply with City of Tempe regulations, ensure all vendors have a chance to be viewed by potential customers without being blocked, and provide a good and safe experience for Festival attendees.

NOTE: The tax collection system in Arizona underwent changes that began in 2017 with the state taking over the administration and collection of sales taxes for the cities. You can obtain the required licenses online once you are accepted as a vendor. You must then provide the tax license number to the Festival. The instructions for filing/renewing can be located on-line at <u>www.ador.gov</u>. Obtaining the tax license and the payment of the required fee are <u>your</u> responsibility. If the tax license is not obtained and provided to the Festival or if you have failed to file your tax return from the previous year, you will be denied participation in the Festival. You would <u>not</u> receive any booth fee refund if the city or state disallows your participation.

We look forward to working together with our vendors and performers to continue to make the Arizona Aloha Festival the best Polynesian festival in the west.

Merchandise Vendor Regulations for Participation 2020 Arizona Aloha Festival

General Festival info		
Theme	ALL foods, products, services and entertainment chosen are to reflect the culture of Hawaii and/or the South Pacific Islands.	
Hours of operation	Arizona Aloha Festival hours are 10 a.m. to 5 p.m. Merchandise booths must be set up and ready to open by 9:30 a.m., remain open, and close promptly at 5p.m.	
Items reserved by the Festival	The Festival reserves the right to sell official licensed goods such as t-shirts and any other <i>Arizona</i> Aloha Festival logo or 'official' items. The Festival also reserves the right for all soda (cupped, bottled or canned) and bottled water sales. Sales of these items are prohibited by any vendor.	
Fees, deposits and deadlines	Potential vendors must enclose the fees in advance and in full at the time of application. Please see application form for fee schedule and deadlines. Incomplete applications will be returned and the new postmark will apply, if resubmitted.	
	Complete applications postmarked by November 2, 2019 will be sent to committee and reviewed first. Applications are reviewed as they come in so mailing early is better than waiting until the deadline. Applications postmarked after November 2 will be reviewed only if space is available after the completion of the first review.	
	All checks will be deposited upon receipt of the application and must clear before the application is reviewed. Depositing the check does not guarantee a space in the Festival!	
	Address your checks to: Arizona Aloha Festivals, Inc. Payments and applications must be sent to the return address listed on the application. Applications and payments made to other locations will not be accepted and will be returned without processing and review.	
Show us your products	All applications MUST enclose a list of proposed products, even if you are a returning vendor. Photos of proposed products increase your chance of acceptance as many times the Committee can't figure out what you want to sell and will pass over the app for one that clearly shows what they want to sell. If you point to a web page as your example, please be clear which products are being proposed for the event.	
Permits and Licenses	All pertinent fire codes, laws, ordinances and regulations pertaining to health, fire prevention and public safety shall be strictly observed.	
	Arizona Aloha Festivals, Inc. is required to provide a list of vendors to the State of Arizona and the City of Tempe for sales tax collection purposes. You will be denied participation in the Festival if you have not filed the required forms and payment or if you have not provided your tax number to the Festival. Booth fees are not refunded if the city or state refuses to allow you to participate. The Festival cannot allow you to set up for the event if both the city and state do not clear you. Sometimes they tell us last minute, and we can't let you set up if this happens. Please take care of your obligations once you are accepted into the event.	
	NOTE: The tax collection system in Arizona underwent changes that began in 2017 with the state taking over the administration and collection of sales taxes for the cities. You can obtain the required licenses online once you are accepted as a vendor. The instructions are available online at www.ador.gov. You must now file with state yourself, we don't do it for you.	

Booth Information		Page 2 of 5
Booth Size and Space	The Merchandise Vendor booth fee covers a space 10' wide by 10' deep and includes a tent top covering. No racks, tables, merchandise or storage is permitted <u>outside</u> of the 10 x 10 space! You will be directly sharing space beside and/or behind your booth space with no sidewall or divider to separate your booth from the booth next/behind you. It is your responsibility to order or provide white sides if needed.	
	Space beside, in front, along side of, and/or behind the booth may not be used. Fees are assessed for violations. Aisles are made for fire emergency lanes as required by Tempe Fire Department and because attendees complain of aisles too crowded to shop in.	
	As always, you are responsible for any damage to tents, sides, tables, chairs, park property or plants and will be billed by the Festival or City of Tempe.	
Procedure for vendors extending outside their booth space	Vendors that put tables, grids, display racks, tubs of merchandise, registers or tables to accept payment, chairs, or other similar items outside the space that they have applied and been accepted for will be charged for the use of that space. If a 10x10 space is insufficient to contain your planned merchandise sales and storage of your stock, order more than one space.	
	We will ask you to move the items. If you refuse to move your items, we pictures and charge you for the extra space you used on a per-foot base deduct it from your deposit. If it exceeds the deposit amount, you will reflecter listing the amount owed. If the fee is not paid, the vendor will not to participate in future festivals until the amount is paid.	sis and eceive a
No subletting	Selling space within your space to another vendor is expressly prohibited. Only vendors named on the application form are permitted. If subletting is discovered, al involved vendors will be barred from future participation in the Festival. Only items listed on the application and approved may be sold at the Festival.	
Location	Space assignments will be made by the Merchandise Vendor Committe along with the Festival Chair. If you have a particular request, such as another vendor, please state this in your participation application. We requests into consideration, but no requests are guaranteed. Electric availability	Electrical service is available for a fee and availability is limited. A maximum of two circuits per booth may be requested. Requested circuits cannot be guaranteed.
	Gauge your electric needs carefully. If your appliance only lists watts and volts (usually on a plate or sticker on the back or bottom), then use this formula to calculate your electric needs for the appliances you wish to use: Convert Watts to Amps by the equation: Watts divided by Volts = Amps. For example: 110 watts divided by 110 volts = 1 amp
	You must provide your own 50 foot heavy duty (12 – 14 gauge) extension cord for each electrical circuit requested. All cords will be tagged and untagged cords will be unplugged. No individual generators are allowed under any circumstances!
	If electrical hook-ups are not available, we will refund the fee when we return your deposit. If electric is ordered and not used, the fee is not refunded.
	When a vendor does not calculate their needs correctly and the circuit breaker trips, it interrupts service for ALL vendors hooked up to that circuit. This does not make friends for you.
Corner Requests	Corner requests are granted according to consideration of various factors including type of product, date of application postmark, and previous corner requests. Those vendors chosen for a corner location will be notified. This does NOT give you extra space outside the 10x10, only more exposure to the attendees.
	NOTE that we do not receive sign-off from the Fire Marshall for our layout until sometime in February. This can make us change things around. We cannot release our booth assignments until all permits are issued from the city and the Fire Marshall in case they require re-location of tents or other equipment.
	If your corner request is not granted, we will refund the fee with your deposit refund after the event. (We wait until after the event because we can immediately put you into a corner space if someone cancels.)
Logistics for and during	g Festival weekend
Vendor Move-in Appointments	You will be sent an email in February asking you to make an appointment for vendor move-in on Friday. We will do our best to accommodate requests for other times. Saturday and Sunday appointments (both morning and afternoon) are <u>very</u> limited and restricted to one hour on-site between 7 and 8 a.m. We will work with you as much as possible. Check-in information and instructions will be emailed to you in February.

Set up/take down	Set up begins on Friday morning and you are asked to unload and move the vehicle from the Park grounds within two hours of your scheduled appointment time.

There is no on-site waiting area available, only on surrounding city streets at meters or in garages. There is no guarantee that a permit will be available if you don't make an appointment. Please be prepared to move your product and equipment to your booth without having a vehicle on the grounds, just in case.

KEEP THESE REGULATIONS to help prepare for the event.....

Choosing your booth size and space

Our Vendor Regulations state:

"The Merchandise Vendor booth fee covers a space 10' wide by 10' deep and includes a tent top covering. No racks, tables, merchandise or storage is permitted <u>outside</u> of the 10 x 10 space! You will be directly sharing space beside and/or behind your booth space with no sidewall or divider to separate your booth from the booth next/behind you. It is your responsibility to order or provide white sides if needed."

This means that your sales display area, payment area, and storage area etc. must be contained within that 10'x10' space. If you can't fit all that in there, order more space.

What this looks like:

Booths are set into rows, much like these examples:

Key to the above diagram:

Fire lanes are required and their width maintained throughout the event. This is for the public's - and your own - safety. Emergency vehicles must be able to get down the rows. <u>NOTHING</u> (displays, grids, tables, boxes, etc.) can stick out into that space.

Note: We know you hang items across your front like clothes hangers where the product sticks out a little. Discuss with your Vendor Committee crew what is reasonably allowed.

The shaded Corner squares show they have 2 sides that are open to the public.

This doesn't mean you get extra room, just that there's greater openness for people to see inside.

These are easement areas between the rows. They allow each booth to have a back pole to attach grids, signs, etc to. In some rows, it's where the electric is run and the required Fire Extinguishers attached

These spaces are also a way for you to escape out the back of your booth in case a disturbance keeps you from exiting the front. Plan your displays and storage so you always have a way out.
