Aloha!

Mahalo for your interest in the 30th *Arizona Aloha Festival*, to be held March 16 – 17, 2024. **Please note that the 2024 Festival has been moved to the third weekend of March!**

The attached **Regulations** are full of information meant to help you have a successful application and exceptional Festival experience. Please read them carefully, especially if you are a returning vendor as **changes may have been made**.

- Please take note of the info about sustainable serving materials.
- **NOTE:** Maricopa County requests we give them your permit #'s! Please put them on the application if you have them otherwise we will **need them by January 12**.

#### How vendors are selected:

- Please review the '**Fees, deposits and deadlines**' section of the Regulations to learn more about the vendor selection process. Applications postmarked after November 1, 2023 are considered on a space-available basis. Applications postmarked after that date will be reviewed to fill openings .

#### Purchasing appropriate booth space:

Booth space requirements in the Regulations are in response to fire-safety requirements of the Tempe Fire Department, numerous complaints from survey responders (the public), and complaints from vendors themselves. Please carefully and thoroughly, checking for changes.

#### Please note:

City of Tempe Fire Codes determine the layout of Food Vendor locations. Most food vendor locations will remain the same, but some may need to be moved. We hope this is minor.

**TAX LICENSES:** *Once you are **accepted** as a 2024 vendor, you must file for a tax license if you do not have one.*

*The tax collection system is online and instructions for filing/renewing can be located at [www.ador.gov](http://www.ador.gov). Obtaining the tax license and paying the required fee are your responsibility. You **must** have a tax license and **provide it to the Festival BY FEBRUARY 1**. You will not receive any booth fee refund if the city or state disallows your participation.*

**We look forward to working together with our vendors and performers to continue to make the Arizona Aloha Festival the best Polynesian festival in the west!**

## Food Vendor Regulations for Participation 2024 Arizona Aloha Festival

### General Festival info

|  |  |
|--|--|
| <b>Theme</b>   | <p>ALL foods, products, services and entertainment chosen are to reflect the culture of Hawaii and/or the South Pacific Islands.</p>   |
| <b>Hours of operation</b>  | <p>Arizona Aloha Festival hours are 10 a.m. to 5 p.m. Food booths must be set up and ready to open by 9:30 a.m. and must remain open until close at 5p.m.</p>  |
| <b>Items reserved by the Festival</b>  | <p>The Festival reserves the right to sell official licensed goods such as t-shirts and any other Arizona Aloha Festival logo or 'official' items. <b>The Festival also reserves the right for all soda (cupped, bottled or canned) and bottled water sales. Sales of these items are prohibited by any vendor.</b></p> <p><b>Please note:</b> Due to the Park's location near the airport, kettle or other popcorn vendors are not allowed on premises. We are sorry.</p>   |
| <b>Fees, deposits and deadlines</b>  | <p>Potential vendors must enclose the fees in advance and in full at the time of application. Please see application form for fee schedule and deadlines. Incomplete applications will be returned and the new postmark will apply, if resubmitted.</p> <p>Complete applications will be reviewed as they arrive and those <b>postmarked by November 1, 2023</b> will be sent to committee for selection. Applications postmarked after that date will be reviewed only if space is available after the completion of the first review.</p> <p>All checks will be deposited upon receipt of the application and must clear before the application is reviewed. <b>Depositing the check does not guarantee a space in the Festival!</b> <i>If your application is incomplete or your check bounces, only the later postmark will apply.</i></p> <p>Address your checks to: Arizona Aloha Festivals, Inc. Payments and applications must be sent to the return address listed on the application. Applications and payments made to other locations will not be accepted and will be returned without processing and review.</p> |
| <b>Booth Information</b>   |  |
| <b>Show us your menus</b>  | <p>All applications <b>MUST</b> enclose a list of proposed food and drink products, even if you have been at the event in the past. Photos of proposed products increase your chance of acceptance as many times the Committee can't figure out what you want to sell and will pass over the app for one that clearly shows what they want to sell. If you point to a web page as your example, please be <u>clear</u> which products are being proposed for the event.</p>  |
| <b>Permits and Licenses Required</b><br><br><b>Licenses due to the Festival by January 12.</b> | <p>All pertinent fire codes, laws, ordinances and regulations pertaining to health, fire prevention and public safety shall be strictly observed.</p> <p>Arizona Aloha Festivals, Inc. is required to provide a list of vendors' license numbers to the State of Arizona and to the City of Tempe for sales tax collection purposes. <i>You will be denied participation in the Festival if you have if you have not provided your tax number to the Festiva by the due date AND Booth fees are not refunded. Sometimes they tell us last minute, and we can't let you set up if this happens. Please take care of your obligations once you are accepted into the event.</i></p> <p><b>NOTE: The state of Arizona handles the administration and collection of sales taxes for the cities. Obtain or update the required licenses online once you are accepted as a vendor. Instructions are online at <a href="http://www.ador.gov">www.ador.gov</a>. You must file with the State yourself, we can't do it for you.</b></p>   |

|  |   |

| <p><b>Food Sales in Maricopa County</b></p> <p>Contact the County at 602-506-6824 to obtain permits. The process is all online.</p> <p><a href="#">Apply early for a Temporary/Seasonal Permit Application</a></p> <p>We must have your permit number by January 12.</p> | <p><b>Please note: As many of you are aware, the food rules often change. It is your responsibility to ensure full compliance with all applicable health laws.</b> For example, you are responsible for covering the entire 10 x 20 floor space of your area in accordance with Maricopa County rules, which states that “Booths cannot be placed directly over dirt or grass unless mats, removable platforms, duckboards, or other suitable approved materials are used as floor covering.</p> <p>* Most food booths are located on grass so flooring will be your responsibility.</p> <p>Permits are required and <i>must be purchased in advance</i>. Certain Arizona food license types are exempt from obtaining the special event permit, please contact the county at 602-506-6824 for more information.</p> <p>Web: Maricopa.gov - click ‘environmental services’, then search for ‘special events’ and look for Temporary/Seasonal Permit Application.</p> <p>Or go to Maricopa.gov/4996/permits-forms-and/applications</p> <p>*Maricopa County Environmental Services will have Inspectors on-site each day.</p> |
| <p><b>Booth Size and Space</b></p>   | <p>The Food Vendor booth fee is for one 10'x20' space that includes the uncovered 10'x10' space immediately behind your 10'x10' tent canopy. The uncovered space is to be used for additional food preparation space. You will also receive 2 sides on the booth (no backs), and one 10 amp electrical circuit, if requested on the application form.</p> <p><b>If the 10 x 20 space is insufficient to contain your food prep and handwashing service area, storage of stock, and sufficient space to take orders and provide food, then order additional space. No racks, tables, or storage is permitted outside of the allotted space! Violators will be warned and requested to move the items.</b></p> <p>As always, you are responsible for any damage to tents, sides, tables, chairs, park property, or plants.</p>  |
| <p><b>Extra Equipment rentals available (Pre-order only)</b></p>   | <p>Tables, chairs, extra sides, and one additional electric circuit per booth are optional equipment and must be <u>pre-ordered</u> separately on the application.</p> <p>Tables and chairs, will not be available at the Festival.</p> <p>If we find you have tables, chairs or electrical connections for which you have not paid, they will be charged to you at <u>twice</u> the preorder price. Once the bill has been paid, the vendor may resume participation in future Festivals.</p>  |
| <p><b>No Subletting</b></p>  | <p>Selling space within your space to another vendor is expressly prohibited. Only vendors named on the application form are permitted. If subletting is discovered, all involved vendors will be barred from future participation in the Festival. Only items listed on the application and approved may be sold at the Festival.</p>  |
| <p><b>Procedure for vendors extending outside their booth space</b></p>  | <p>Vendors that put tables, grids, signs, condiment stands, registers, tables to accept payment, or other similar items outside the space that they have applied and been accepted for will be <u>charged</u> for the use of that space. If a 10x20 space is insufficient to contain your planned food sales, prep area, and storage of your stock, order more than one space.</p> <p>We will ask you to move the items. If you refuse to move your items, we will take pictures and charge you for the extra space you used on a per-foot basis and deduct it from your deposit. If it exceeds the deposit amount, you will receive a letter listing the amount owed. If the fee is not paid, the vendor will not be accepted to participate in future festivals until the amount is paid.</p>   |

|  |  |
|--|--|
| <p><b>Location</b></p>   | <p>Space assignments will be made by the Food Vendor Chairs along with the Festival Chair. If you have a particular request, such as being near another vendor, please state this in the application. We will take all requests into consideration, but no requests are guaranteed. We may have to move returning vendors to different spaces if necessary due to setup changes.</p> <p><b>NOTE that we do not receive sign-off from the Fire Marshall for our layout until sometime in late February. This can make us change things around. We cannot release our booth assignments until all permits are issued from the city and the Fire Marshall in case they require re-location of tents or other equipment.</b></p>   |
| <p><b>Electric availability</b></p>                                | <p>Each 10x20 booth space is supplied with one 10 amp plug-in socket, if requested on the application form. Additional electricity is available for a fee (see the application), but is limited to a maximum of <b>two circuits per booth</b>. Electric service is limited and requested extra circuits cannot be guaranteed.</p> <p>Gauge your electric needs carefully. If your appliance only lists watts and volts (usually on a plate or sticker on the back or bottom), then use this formula to calculate your electric needs for the appliances you wish to use:</p> <ul style="list-style-type: none"> <li>• Convert Watts to Amps by the equation: Watts divided by Volts = Amps.<br/>For example: 110 watts divided by 110 volts = 1 amp</li> </ul> <p>You must provide your own 50 foot heavy duty (12 – 14 gauge) extension cord for each electrical circuit requested. All cords will be tagged and untagged cords will be unplugged. Refunds will be given if we are unable to accommodate your request. <b>No individual generators are allowed under any circumstances!</b></p> <p>When a vendor does not calculate their needs correctly and the circuit breaker trips, it interrupts service for ALL vendors hooked up to that circuit. This does not make friends for you. Many propane-powered appliances are available such as rice pots and refrigerators and are <u>strongly</u> recommended and may be <u>required</u> in the future.</p> |
| <p><b>Potable water availability</b></p>                           | <p>Tempe Beach Park does not have readily accessible water supplies. The 2023 Festival used one high pressure hose to supply water for all vendors. Your location may be far enough away that you must haul water to your location. Consider washing rice off-site, keeping it cool and bringing it pre-washed.</p>  |
| <p><b>'Grey' or waste water disposal</b></p>                       | <p>Vendors must plan to put waste water into containers and possibly take them away yourself. There are no 'grey' water accommodations at the park and severe fines are issued by the city for pouring 'grey' waste water into the lake, down a drain, or on park plants. Waste or 'grey' water includes dishwashing and rice-wash water. Wash rice off-site if possible.</p>  |
| <p><b>Oil or grease</b></p>  | <p>We are not able to provide grease disposal barrels.</p> <p>You are responsible for collecting your used oil and grease and taking it away with you for disposal</p> <p><b><u>Keep grease away from the lake, trees and plants.</u></b></p>  |
| <p><b>Food Waste</b></p>   | <p>Food waste (no water) can go into the garbage dumpsters provided. Find another dumpster if the one nearest to you is full. Do not leave garbage beside a dumpster!</p> <p><b><u>Keep food waste away from the trees and plants.</u></b></p>   |
| <p><b>Garbage and other trash, recycle as much as possible</b></p> | <p>PLEASE NOTE that Tempe is asking for any service items (plates, utensils, etc) to be made of <u>recyclable or compostable materials</u>. This not yet a requirement but your cooperation is appreciated as many events are moving to this requirement.</p> <p>Garbage and recycling dumpsters are provided. Do NOT pile trash beside the dumpster, find another if needed.</p>  |

|  |  |
|--|--|
| <p><b>(Garbage &amp; other trash con't'd)</b></p> <p>Please roll any bins that are near your space at the end of day out to the nearest sidewalk for emptying.</p>   | <p>Cardboard must be broken down and recycled. Other food-free or plastic containers can go in the recycling bins. You will receive a list of allowable recyclables at the event and recycling dumpsters are clearly marked.</p> <p><i>Any dumping of grease, ice or liquids in planters, tree wells or other areas is unacceptable and will result in forfeiture of your deposit.</i></p>   |
| <p><b>Clean-up</b></p>   | <p>Vendors must keep the inside <u>and</u> outside of their booth space neat and tidy. Vendors are responsible for the daily clean-up of their assigned space and breakdown of their own items at the close of the Festival. Leave your space clean when you move out.</p>   |
| <p><b>Trees and plants</b></p>   | <p>This is a park – please don't tie anything to trees or damage any plants!!!! Do not dump ice around trees or other plants. <b>Vehicles are not allowed to be driven on the grass.</b> Tree, plant, or other park damage will be charged to you!</p>   |
| <p><b>Logistics for and during Festival weekend</b></p>  |  |
| <p><b>Vendor Move-in Appointments</b></p>  | <p>You will be sent an email in February asking you to make an appointment for vendor move-in on Friday. We will do our best to accommodate requests for other times. Saturday and Sunday appointments (both morning and afternoon) are very limited and restricted to one hour on-site between 7 and 8 a.m. We will work with you as much as possible. Check-in information and instructions will be emailed to you in February.</p>  |
| <p><b>Set up/take down: Park vehicle access permits needed to load, unload</b></p> <p><i>Please plan your staffing, setup, takedown, and travel arrangements to accommodate having <b>one vehicle on site at a time.</b></i></p> | <p>Set up begins on Friday and you are asked to unload and move the vehicle from the Park grounds within an hour and a half (your scheduled appointment time.) You can arrange your booth set-up after the vehicle is moved off site.</p> <p>Vendors without a Set Up appointment must wait until a park access permit “pass” becomes available. There is no on-site waiting area available, only city street parking and garages nearby. There is no guarantee that an access permit will be available if you don't make an appointment. Please be prepared to move your product and equipment to your booth without having a vehicle on the grounds, just in case.</p> <p>On Sunday, once your booth is packed up and clean, find your Committee member to get a pass to bring a vehicle onto the park for load-out. Plan that you will not be able to get your vehicle onto the park <i>any earlier</i> than 6 p.m.</p>   |
| <p><b>Vehicle access permits for driving on Park grounds.</b></p>  | <p>Access permits will be issued for <u>one vehicle at a time per vendor</u> and only when the vendor is ready to set up or leave. <i>Please plan your staffing, setup, takedown, and travel arrangements to accommodate having <b>one vehicle on site at a time.</b></i></p> <p>Access onto the park is limited by the City of Tempe and controlled by park access permit ‘passes.’ We can only allow a limited number of vehicles on the park at one time so passes are limited and controlled at the Park gate on Rio Salado. You must pick up and return your vehicle pass to the Security Volunteers at that gate.</p> <p><b>No motorized carts are allowed on the site during the Festival, except those operated by the Festival!</b> This includes staging them at any Park entrance.</p> <p>On site (behind the bridge) parking passes are NOT vehicle access passes and are limited. You still need to be cleared by Festival Staff to drive onto the sidewalks.</p> |

|  |   |
|--|---|
| <p><b>Park access hours</b></p>        | <p>Festival volunteers will be on site at 7 a.m. daily. Entry into the park will not be available until after that time.</p> <p>Vendors can come onto Park grounds on Saturday or Sunday morning or evening <b>ONLY</b> by pre-arrangement with their Committee Chair(s) and slots are limited.</p> <p>Any vehicles with pre-arranged passes must be off the Festival premises by 8:30 a.m. Saturday and Sunday morning and the gates are locked no later than 9:00 p.m. each night.</p> <p><b>At the end of the Festival: No</b> vehicles are allowed <b>ON or OFF</b> the park until most of the public has left the Park after the closing. This is <u>never</u> before 6:00 p.m. and often after. This will be strictly at the discretion of Police, city staff, and the Festival Planning Committee' consensus. Please plan your travel accordingly.</p>   |
| <p><b>Parking</b></p>                  | <p>The cost of the parking for vendor vehicles and/or oversize vehicles is your own responsibility. The Festival will attempt to make offsite arrangements for vendor parking <i>and will email instructions to you if arrangements are made.</i></p> <p>There is no overnight sleeping allowed in any vehicle on Festival/Park grounds.</p> <p><b>NOTE:</b> Limited spaces - for a fee –are available located between the bridges on the east side of the park. These spaces accommodate most trucks or trailers and are perfect for storing excess inventory. Each vehicle, trailer or truck requires one fee: A pickup truck with a trailer are TWO spaces. Oversize trucks (such as big box trucks) or trailers pay by the number of parking spaces they would use in a normal lot or street parking space. Parking fees must be pre-paid with the application! Parking will not be available for sale on-site.</p> <p>Vehicles parked in this area must arrive on Friday and <b>stay in the same space all weekend</b>, not leaving until load-out on Sunday. Vehicles must have cardboard underneath the engine area in case of an oil leak and their battery disconnected.</p> |
| <p><b>Clean-up</b></p>                 | <p>Vendors must keep the inside and outside of their booth space neat and tidy. Vendors are responsible for the daily clean-up of their assigned space and breakdown of their own items at the close of the Festival. Leave your space clean when you move out on Sunday.</p>   |
| <p><b>Materials and supplies</b></p>   | <p>You will need to bring all supplies and materials to hang your signs, cover your tables, and conduct business, including a <b>fire extinguisher</b>. <b>The use of electricity, open fire, or propane requires an appropriate fire extinguisher <u>in the booth.</u></b></p>   |
| <p><b>Safety and security</b></p>      | <p>There is roving overnight security at the Park. <b>However, any items left overnight are at your own risk.</b> Overnight sleeping in booths is not permitted under any circumstances.</p> <p>Police officers will be on site from 10 a.m. to 5 p.m. to ensure a safe and enjoyable event. <b>However, Arizona Aloha Festivals, Inc., the City of Tempe or any other sponsoring organizations are not responsible for theft, loss, or damage!</b></p>   |
| <p><b>Admin and other policies</b></p> |   |
| <p><b>Publicity</b></p>                | <p>Publicity for the Festival will be provided by Arizona Aloha Festivals, Inc. through all forms of media. Flyers and posters should be available in January and they will be available for download in February. Other last-minute information will be emailed to you in late February or early March.</p>  |
