Aloha!

Mahalo for your interest in the 26th *Arizona Aloha Festival* (finally, after the Covid-19 cancellations of 2020 and 2021), to be held March 12 – 13, 2022.

Please read the “Merchandise Vendor Application” and the “Merchandise Vendor Regulations for Participation” carefully. Changes may have been made.

- The updated 2022 Regulations spell out city or other regulations we must all follow, especially new requirements due to Covid-19. We also give instructions and tips about preparing your space, trash disposal, loading/unloading, parking, and the other details that make a successful event.

How vendors are selected:

- Please review the '**Fees, deposits and deadlines**' section of the Regulations to learn more about the vendor selection process.

Purchasing appropriate booth space:

Changes to the Fire Code for the City of Tempe will cause some changes to the layout of the 2022 Arizona Aloha Festival. Instead of the the long rows of vendor booths of the past, we must reduce the length of the booth rows. On the positive side, this layout change will increase corner availability.

Due to Fire Codes, complaints from the public, and the vendors themselves we have established the following policies and regulations for participation. Please note:

- The damage deposit is meant to cover damages to tents, the park, or other items used during the event and any missing equipment from your space.
- Vendors that extend beyond their purchased space will be billed for the extra space used. A photo will be provided to you to provide documentation for the calculation of the bill. Once the bill has been paid, the vendor may resume participation in future Festivals. Tempe Fire may issue citations for violation of the fire lanes, as required.

The Festival must plan the Park space use carefully to comply with City of Tempe regulations, ensure all vendors have a chance to be viewed by potential customers without being blocked, and provide a good and safe experience for Festival attendees.

NOTE: The tax collection system changed in 2017 when the state took over the administration and collection of sales taxes for the cities. Obtain the required licenses online at www.ador.gov once you are accepted as a vendor. The instructions for filing/renewing can be located on-line at www.ador.gov. Obtaining the tax license and paying the required fee are your responsibility. You must have a tax license and provide it to the Festival BY FEBRUARY 1. You will not receive any booth fee refund if the city or state disallows your participation.

We look forward to working together with our vendors and performers to continue to make the Arizona Aloha Festival the best Polynesian festival in the west.

Merchandise Vendor Regulations for Participation 2022 Arizona Aloha Festival

General Festival info	
Theme	ALL foods, products, services and entertainment chosen by the Merchandise Committee to reflect the culture of Hawaii and/or the South Pacific Islands.
Hours of operation	<i>Arizona Aloha Festival</i> hours are 10 a.m. to 5 p.m. Merchandise booths must be set up and ready to open by 9:30 a.m., remain open, and close promptly at 5p.m.
Items reserved by the Festival	The Festival reserves the right to sell official licensed goods such as t-shirts and any other <i>Arizona Aloha Festival</i> logo or 'official' items. The Festival also reserves the right for all soda (cupped, bottled or canned) and bottled water sales. Sales of these items are prohibited by any vendor.
Fees, deposits and deadlines	<p>Potential vendors must enclose the fees in advance and in full at the time of application. Please see application form for fee schedule and deadlines. Incomplete applications will be returned and the new postmark will apply, if resubmitted.</p> <p>Only completed applications postmarked by November 1, 2021 will be sent to committee and reviewed first. Applications are reviewed in postmark order so mail them early rather than wait until the deadline. Applications postmarked after November 1 will be reviewed only if space is still available after the completion of the first review.</p> <p>All checks will be deposited upon receipt of the application and must clear before the application is reviewed. Depositing the check does not guarantee a space in the Festival!</p> <p>Address your checks to: Arizona Aloha Festivals, Inc. Payments and applications must be sent to the return address listed on the application. Applications and payments made to other locations will not be accepted and will be returned without processing and review.</p>
Show us your products	All applications MUST enclose a list of proposed products, even if you are a returning vendor. Photos of proposed products increase your chance of acceptance as many times the Committee can't figure out what you want to sell and will pass over the app for one that clearly shows what they want to sell. If you point to a web page as your example, please be clear which products are being proposed for the event.
Permits and Licenses	<p>All pertinent fire codes, laws, ordinances and regulations pertaining to health, fire prevention and public safety shall be strictly observed.</p> <p>Arizona Aloha Festivals, Inc. is required to provide a list of vendors to the State of Arizona and the City of Tempe for sales tax collection purposes. <i>You will be denied participation in the Festival if you have not filed the required forms and payment or if you have not provided your tax number to the Festival. Booth fees are not refunded if the city or state refuses to allow you to participate. The Festival cannot allow you to set up for the event if both the city and state do not clear you. Sometimes they tell us last minute, and we can't let you set up if this happens. Please take care of your obligations promptly once you are accepted into the event.</i></p> <p>NOTE: The tax collection system in Arizona underwent changes that began in 2017 with the state taking over the administration and collection of sales taxes for the cities. You can obtain the required licenses online once you are accepted as a vendor. The instructions are available online at www.ador.gov. You must now file with state yourself, we don't do it for you.</p>

Booth Size and Space	<p>The Merchandise Vendor booth fee covers a space 10' wide by 10' deep and includes a tent top covering. No racks, tables, merchandise or storage is permitted <u>outside</u> of the 10 x 10 space! You will be directly sharing space beside and/or behind your booth space with no sidewall or divider to separate your booth from the booth next/behind you. It is your responsibility to order or provide white sides if needed.</p> <p>Space beside, in front, along side of, and/or behind the booth may not be used no matter your placement. Fees are assessed for violations. Aisles are made for fire emergency lanes as required by Tempe Fire Department and because attendees complain of aisles too crowded to shop in.</p> <p>As always, you are responsible for any damage to tents, sides, tables, chairs, park property or plants and will be billed by the Festival or City of Tempe.</p>
Procedure for vendors extending outside their booth space	<p>Vendors that put tables, grids, display racks, tubs of merchandise, registers or tables to accept payment, chairs, or other similar items outside the space that they have applied and been accepted for will be charged for the use of that space. If a 10x10 space is insufficient to contain your planned merchandise sales and storage of your stock, order more than one space.</p> <p>If items are outside the space, we will ask you to move the items. If you refuse to move your items, we will take pictures and charge you for the extra space you used on a per-foot basis and deduct it from your deposit. If it exceeds the deposit amount, you will receive a letter listing the amount owed. If the fee is not paid, the vendor will not be accepted to participate in future festivals until the amount is paid.</p>
No subletting	<p>Selling space within your space to another vendor is expressly prohibited. Only vendors named on the application form are permitted. If subletting is discovered, all involved vendors will be barred from future participation in the Festival. Only items listed on the application and approved may be sold at the Festival.</p>
Location	<p>Space assignments will be made by the Merchandise Vendor Committee Chairs along with the Festival Chair. If you have a particular request, such as being near another vendor, please state this in your participation application. We will take all requests into consideration, but no requests are guaranteed. We may have to move returning vendors to different spaces if necessary due to changes in our set up, especially if there are changes in the park grounds.</p> <p>NOTE that we do not receive sign-off from the Fire Marshall for our layout until sometime in February. This can make us change things around. We cannot release our booth assignments until all permits are issued from the city and the Fire Marshall in case they require re-location of tents or other equipment due to public safety and/or security needs.</p>
Equipment rentals available (Pre-order only)	<p>Tables, chairs, tent sides, and electricity are additional and <u>optional</u>. These items will not be available last-minute at the event - do not take them from your neighbor!</p> <p><i>If equipment is ordered and you do not use it, there are no refunds – including for electricity.</i></p> <p>If we find tables, chairs, electrical connections or sides for which you have not paid, they will be charged to you at twice the preorder price.</p>

<p>Electric availability</p>	<p>Electrical service is available for a fee and availability is limited. A maximum of two circuits per booth may be requested. Requested circuits cannot be guaranteed.</p> <p>Gauge your electric needs carefully. If your equipment only lists watts and volts (usually on a plate or sticker on the back or bottom), then use this formula to calculate your electric needs for the appliances you wish to use: Convert Watts to Amps by the equation: Watts divided by Volts = Amps. For example: 110 watts divided by 110 volts = 1 amp</p> <p>You must provide your own 50 foot heavy duty (12 – 14 gauge) extension cord for each electrical circuit requested. All cords will be tagged and untagged cords will be unplugged. No individual generators are allowed under any circumstances!</p> <p>If electrical hook-ups are not available, we will refund the fee when we return your deposit. If electric is ordered and not used, the fee is not refunded.</p> <p>When a vendor does not calculate their needs correctly and the circuit breaker trips, it stops service for ALL vendors hooked up to that circuit. This does not make friends for you.</p>
-------------------------------------	---

Logistics for and during Festival weekend

<p>Vendor Move-in Appointments</p>	<p>You will be sent an email in February asking you to make an appointment for vendor move-in on Friday. We will do our best to accommodate requests for other times. Saturday and Sunday appointments (both morning and afternoon) are <u>very</u> limited and restricted to one hour on-site between 7 and 8 a.m. We will work with you as much as possible. Check-in information and instructions will be emailed to you in February.</p> <p>Access permit passes will be issued for <u>one vehicle at a time per vendor</u> and only when the vendor is ready to set up or leave. <i>Please plan your staffing, setup, takedown, and travel arrangements to accommodate having only one vehicle on site at a time.</i></p>
---	---

<p>Set up/take down</p>	<p>Set up begins on Friday morning and ends at 7 pm. Space on the grounds for vehicles is limited so please unload and move the vehicle from the Park grounds <u>within one hour</u> of your scheduled appointment time.</p> <p>Vendors without a prearranged Set Up Appointment must wait until a park access permit “pass” becomes available. There is no on-site waiting area available, only on surrounding city streets at meters or in garages. There is <u>no</u> guarantee that a permit will be available if you don't make an appointment. Please be prepared to move your product and equipment to your booth without having a vehicle on the grounds, just in case.</p> <p>On Sunday, once your booth is packed up and clean, find your Committee member to give you a check-out form to allow a vehicle onto the park for load-out. Plan that you will not be able to get your vehicle onto the park <i>any earlier</i> than 6 p.m.</p>
--------------------------------	--

<p>Vehicle access permits</p>	<p>Access permits will be issued for <u>one vehicle at a time per vendor</u> and only when the vendor is ready to set up or leave. <i>Please plan your staffing, setup, takedown, and travel arrangements to accommodate having one vehicle on site at a time.</i></p> <p>Access onto the park is limited by the City of Tempe and controlled by park access permit ‘passes.’ We can only allow a limited number of vehicles on the park at one time so passes are limited and controlled at the Park gate on Rio Salado. You must pick up and return your vehicle pass to the Security Volunteers at that gate.</p> <p>No motorized carts are allowed on the site during the Festival, except those</p>
--------------------------------------	--

Vehicle access permits	(Con't) operated by the Festival! This includes staging them at any Park entrance. On site (behind the bridge) parking passes are NOT vehicle access passes. You still need to be cleared by Festival Staff to drive onto the grounds.
Park access hours	Festival volunteers will be on site at 7 a.m. daily. Entry into the park will not be available until after that time. All vehicles with appointment must be off the Festival premises by 8:00 a.m. Saturday and Sunday morning and the gates are locked no later than 9:00 p.m. each night. Vendors can ONLY come onto Park grounds on Saturday or Sunday morning or evening by <u>pre-arrangement</u> of an appointment with their Committee. No vehicles are allowed ON or OFF the park until most of the public has left the Park <u>after</u> the close of the Festival. This is <u>never</u> before 6:00 p.m. and will be strictly at the discretion of Police, city staff, and the Festival Planning Committee. Please plan your travel accordingly.
Parking	The cost of the parking for vendor vehicles and/or oversize vehicles is your own responsibility. The Festival attempts to make special arrangements for vendor parking <i>and will email instructions to you if arrangements are made.</i> There is no overnight sleeping allowed in any vehicle on Festival grounds. NOTE: Limited spaces - for a fee –are available located between the bridges on the east side of the park. These spaces accommodate most trucks or trailers and are perfect for storing excess inventory. Each vehicle, trailer or truck requires one fee: A pickup truck with a trailer are TWO spaces. Oversize trucks (such as big box trucks) or trailers pay by the number of parking spaces they would use in a normal lot or street parking space. Parking fees must be pre-paid with the application! Parking will not be available for sale on-site. Vehicles parked in this area must arrive on Friday and stay in the same space all weekend , not leaving until load-out on Sunday. Vehicles must have cardboard underneath the engine area in case of an oil leak, and the battery disconnected.
Garbage and trash	Garbage and recycling dumpsters are provided. Cardboard must be broken down and recycled. Do NOT pile trash beside the dumpster, find another if needed. Other food-free or recyclable containers can go into the recycling bins with your bottles and cans. You will receive a list of allowable recyclables at the event and recycling dumpsters are clearly marked.
Trees and plants	This is a park – please don't tie anything to trees or damage any plants!!!! Vehicles are not allowed to drive on the grass. Tree, plant, or other park damage will be charged to you!
Clean-up	Vendors must keep the inside and outside of their booth space neat and tidy. Vendors are responsible for the daily clean-up of their assigned space and breakdown of their own items at the close of the Festival. Leave your space clean when you move out on Sunday.
Materials and supplies	You will need to bring all supplies and materials to hang your signs, cover your tables, and conduct business, including a fire extinguisher if electricity is used.

Safety and security	<p>There is roving overnight security at the Park. However, any items left overnight are at your own risk. Overnight sleeping in booths is not permitted under any circumstances.</p> <p>Police officers will be on site from 10 a.m. to 5 p.m. to ensure a safe and enjoyable event. However, Arizona Aloha Festivals, Inc., the City of Tempe or any other sponsoring organizations are not responsible for theft, loss or damage!</p>
Publicity	<p>Publicity for the Festival will be provided by Arizona Aloha Festivals, Inc. through all forms of media. Flyers and posters should be available in January and they will be available for download in February. Other last-minute information will be emailed to you in late February or early March.</p>
Cancellation policy	<p>No rain/cancellation date is available. Cancellations must be in writing and mailed, faxed, or emailed - no phone calls. There are no refunds for cancellations postmarked or dated (via date stamp of the receiving fax or email) after December 31, 2021.</p> <p>Vendors who cancel after confirmation letters have gone out and before December 31, 2021 will be refunded minus a \$25.00 processing fee. Vendors may withdraw their application with a full refund prior to an acceptance letter being sent.</p>
Confirmation Policy	<p>Applicants will be notified of their acceptance for participation once they are selected and the required payment has cleared. Notification of acceptance or rejection will be handled <u>strictly</u> by mail. <i>The first confirmations will not be sent until early December.</i></p> <p>Read your confirmation letter carefully. It will list any items from your application that have <u>not</u> been approved.</p>

Covid-19 Mitigation Procedures	<p>Vendors are responsible for knowing and complying with ALL Covid-19 mitigation procedures established for the event. These include, but are not limited to, the Center for Disease Control (CDC), the State of Arizona, and/or the City of Tempe.</p>

Choosing your booth size and space

Our Vendor Regulations state:

The Merchandise Vendor booth fee covers a space 10' wide by 10' deep and includes a tent top covering. No racks, tables, merchandise or storage is permitted outside of the 10 x 10 space! You will be directly sharing space beside and/or behind your booth space. We do not provide sidewall or dividers to separate your booth from the booth next/behind you. It is your responsibility to pre-order or provide white sides if needed.

This means that your sales display area, payment area, and storage area etc. must be contained within that 10'x10' space. If you can't fit all that in there, order more space.

What this looks like:

Booths are set into groups and rows, much like these examples:

Key to the above diagram:

Fire Lanes

Fire lanes are required and their width maintained throughout the event. This is for the public's - and your own - safety. Emergency vehicles must be able to get down the rows. **NOTHING** (displays, grids, tables, boxes, etc.) can stick out into that space.

Note: We know you hang items across your front like clothes hangers where the product sticks out a little. Discuss with your Vendor Committee crew what is reasonably allowed.

The shaded Corner squares show they have 2 sides that are open to the public.

This doesn't mean you get extra room, just that there's greater openness for people to see inside.

These indicate small easement areas between the booths. In some rows, it's where the electric is run and the required Fire Extinguishers attached

Please create a way for you to escape out of your booth in case a disturbance keeps you and your customers from exiting the front. Plan your displays and storage so you always have a way out.
