Aloha!

We are happy to announce the 25th Anniversary 2019 Arizona Aloha Festival will be held March 9 - 10, 2019 at Tempe Beach Park at Tempe Town Lake!

Application materials must be completed, mailed to the address on the application, and **postmarked by November 3, 2019** to be considered in the first review. We are anticipating great interest and will start creating our stage schedules from the first batch of on-time applications. Applications postmarked after November 3 will be considered to fill any 'holes' or cancellations in the schedule as needed.

Pay close attention to the application and answer all the questions, INCLUDING the description of your program. (We have added a page to describe and/or draw your anticipated stage setup). Your answers on this application are all we have to go by when making our choices, so please be descriptive. If you have not performed at Arizona Aloha Festival before, please include a video of a performance or practice, or point us to a website or YouTube video.

Please read the *Guidelines for Performer Participation* carefully as these will apply if you and/or your group are selected for the 2019 Festival. Your original signature attests that you have read and will comply with them. If you have a question, please don't hesitate to ask before signing.

If you have any questions, please contact Kamalu Tinnell, Performance Chairperson, by telephone at 520-458-1972 or by email at kamalu.tinnell@azalohafest.org. You also may leave a message for her at the Festival office at 602-697-1824.

Other Festival News:

*The Arizona Aloha Festival's "Discovery" areas (the Village displays, presentations in Hale Mana'o, and the Keiki Make and Take activities) are always looking for demonstrators, artisans, artists, and those willing to teach about arts, crafts, history, sports, skills, stories, dance - anything that teaches about cultures.

If you know of anyone who might be interested, please email their contact information to festinfo@azalohafest.org or via phone at 602-697-1824.

*Volunteers are also a big part of Festival as they staff all our program areas. Stage Crew volunteers are always needed, especially the 1 to 5 p.m. shift. We also welcome help with Discoveries, information booth, soda/water sales and more. If you know anyone that may be interested, please email our Volunteer Chairperson at volunteer@azalohafest.org. Online sign-up will open in mid-January.

*Vendor applications have a November 10, 2018 postmark date. If anyone is interested in obtaining a vendor booth, those materials are on-line at www.azalohafest.org as of October 1 (look under both categories of vendors) and the application materials are downloadable.

to save paper and be environmentally friendly.)

NOTE: These guidelines are in effect to respect the operation of the park and to comply with city regulations. Please help us respect our hosts and partners.

Our mission: To create awareness and promote the presentation, education, and preservation of the cultures of Polynesia and the South Pacific Islands.

Performances	
Performance Selection Goals	Performing groups will be selected to provide a well rounded variety of performances in keeping with the mission of the Festival. Groups will be selected based upon the completeness of the information provided on the application materials submitted. Videos and pictures are welcomed.
Limited stage time	To give the opportunity for as many groups as possible to perform, Groups are limited to no more than 40 minutes performance time on stage starting at the time you're scheduled. This allows 10 minutes to set up the stage for you and 10 minutes to take down the stage from your performance and prepare for the next group. (If you start late, that is deducted.)
No Fire Dances	The Festival must follow the Tempe Fire Department's Safety Regulations and they do not permit performers under 21 to handle fire at a public performance. In addition, the City's Risk Manager requires a total of \$5 million additional insurance coverage for fire dancing as he considers it the same as fireworks. We simply can't find a company to write the extra insurance that we can afford. We are as dismayed as you about this and express our deepest regrets.
Audience participation	The Festival must follow the Tempe Fire Department's Safety Regulations. If safety needs require the fencing or roping off of the front of the stage, we will not be able to allow audience members to come on stage from the front. Groups wishing to include audience members must then choose their participants before the performance and gain backstage entry for them from the Stage Manager.
Taualuga or similar Dances	The Festival no longer requires groups to donate money thrown upon the stage. However, while we respect the tradition, this policy may revert back if there is abuse and performances are observed to change from a celebration of culture to one of obtaining as much money as possible from the performance. The Festival's mission is to provide education and awareness about South Pacific Islander cultures and we must respect that mission. Please contact Kamalu if you have questions or concerns
Music accompaniment	
Live music	Live musicians are welcomed on Lakeside and Mountain stages (Discovery is too small). A complete sound equipment list and program outline must be turned in on time so we can make sure that proper sound equipment is ordered and on-site. We will work with you as much as is possible at the last minute but may not be able to accommodate.
Recorded music: CDs, iPods, MP3 files, etc	Home-"burned" CDs do not always work in a variety of equipment. If you want to use one, try it in a variety of CD players to see if it will play. (Remember, professional equipment is very sensitive.) Have the original CDs available at Festival so your performance can still go on. Label the CD case and the CD itself, if possible, with the group's name and the owner's name (first & last). Don't forget to get the CD back at the end of your performance! Cell phones can NOT be used to provide your music. If a call comes through, the show stops. iPods and MP3 players can be plugged into the sound equipment and is recommended.
Copyrights	The Festival obtains a license from ASCAP that covers use of copyrighted music at the Festival. If your selected music is not covered by ASCAP, you are responsible to obtain any copyright permission needed for music used in your performance.
Sound equipment needs	The Festival contracts with one of the Valley's best sound companies. They provide a professional sound quality to enhance your performance and the audience's listening pleasure. We do not provide wireless mikes - but you can bring your own. You will get an email <u>in early February</u> and asked for your sound needs list. We provide the sound techs with a list of your sound equipment needs based on this information. We will monitor sound levels in respect to other program areas, other stages, and the

<p>Sound equipment needs, cont'd</p>	<p>neighborhoods around the Park. Please contact Kamalu Tinnell by telephone at 520-458-1972 or by email at kamalu.tinnell@azalohafest.org if you have sound equipment questions.</p>
<p>Selection Process</p>	
<p>Notification of acceptance</p>	<p>Once selections have been made and tentative performance schedules made, notifications will go out by email (or phone if no email). This will go out approximately the first week of December. <i>You must confirm acceptance of your time slot with a return email or phone call by the end of December!</i></p>
<p>Roster of performers/ releases</p>	<p>A Group Roster form will be sent to you in February and has a deadline for completion (refer to the form). List all performers, musicians and backstage assistants that are planning to be with the group at Festival. You may update this list any time until March 1st. NOTE: People 'hanging out' are not allowed back stage and will be asked to leave. Anyone not in a group teeshirt or other identifying clothing will be asked to leave unless they are on your roster. This is a safety issue. It is helpful to have identifying teeshirts on those to be allowed backstage.</p>
<p>Description of stage set up needed</p>	<p>If you have a live musician, chanter, drummer(s) or equipment needing to be placed on stage, you must include a separate page with a drawing of where chairs, microphones or other equipment must be placed. If this changes from the time of application, you can update the drawing any time up until February 28. This is so we can have chairs, mics or other equipment there for you.</p>
<p>Logistics</p>	
<p>Check-In</p>	<p>Check in with the Stage Manager at your assigned stage at LEAST one half hour before your scheduled performance time. You should be able to put your costumes or equipment in your dressing room at that time. If you have difficulty locating your stage, go to the Information Booth.</p>
<p>Backstage help</p>	<p>In addition to the Stage and Assistant Stage Managers, each stage will have one or more Performer Stage Support volunteers available to help with check-in and performance needs. Only performers, musicians, and designated assistants will be allowed backstage. NOTE: People 'hanging out' are not allowed back stage and will be asked to leave. Inform your group members that friends or acquaintances ("I'm with the group") will be asked to leave unless they are on your roster. This is a safety issue. It is helpful to have identifying teeshirts on those to be allowed backstage.</p>
<p>Unloading/loading of equipment</p>	<p>You may drop off items at the designated area and walk them to the Stage. This is a drop-off point only - do NOT leave your vehicle unattended! This is a Fire Lane and any vehicles left without an attending driver will be promptly ticketed and towed. Allow at least 15 minutes for finding the area and unloading plus time for helpers to carry to your stage.</p>
<p>Stage sizes & dressing room locations</p>	<p>See below for information by stage:</p>
	<p>Lakeside - The dressing rooms are located behind the stage. Stairs are located on both sides of the stage. The stage dimensions are planned to be 30'wide by 36'deep, approximately 30"high.</p>
	<p>Mountain - The dressing rooms are located behind the stage. Stairs are located on both sides of the stage . Stage dimensions are planned to be 30' wide by 36' deep, approximately 30" high.</p>
	<p>The Discovery Stage is for individuals and small groups. It is primarily an educational stage where the audience is able to learn about what they are seeing in the performance. It is 20x20' (about 3' high) with one 10x20' dressing room. This stage is not designed for large groups. The number of live musicians are restricted as it has limited sound hookups.</p>

Dressing room sizes	<p>Dressing Rooms are a 10' x 20' divided tent near each Stage. You will have access roughly 1/2 hour before and 20 minutes after each performance. Each tent will have at least one hanging bar on which to hang costumes. Each group will be assigned <u>only</u> one dressing room for use during their scheduled performance time (10x20 tents will have an adjustable divider tarp to separate sides for men and women, if needed).</p> <p>Your Stage Manager will show you the dressing room and the sign with your group or name posted. Sign-in the time you arrive and sign-out the time that you left.</p> <p>All performing groups are required to leave their dressing rooms clean and free of personal items after their performance. Trash bags will be available at each stage. "Lost" items are kept and held for 60 days.</p>
Oiling	<p>BRING TOWELS. For performers who apply oil to body or costume, we are providing an oiling area outside of the dressing rooms – signs will be posted at each oiling area. Oil can not be applied inside dressing rooms, restrooms, or public walkways. After your performance, towel oil off body as much as possible and remove as much oily costuming as you can before entering dressing rooms.</p> <p style="text-align: center;"><i>Oil bottles are to be left outside the dressing rooms at all times.</i></p>
Parking	<p>There is parking available for performing groups in area 'pay' garages and lots. The Festival is not able to furnish free parking for performers. Please check our website for information about parking in Tempe .</p>
Cultural presentations at Hale Mana'o	<p>Would you or a group member like to teach a dance? Or do they have a special knowledge of cultural arts, crafts, history...any topic really...to share at Hale Mana'o? We're always looking for presenters that would like to talk about or demonstrate a favorite topic or skill for about 20-30 minutes. Please email shoni.burg@azalohafest.org for ideas and information about doing presentations/sessions.</p>
Volunteer Opportunities	<p>The Arizona Aloha Festival is totally planned and staffed by volunteers. Hundreds of wonderful volunteers assist over the weekend, the days before and after, and in preparation. Some of your students or parents might like to help for fun or for service hour credits.</p> <p>If you or someone in your group is interested in volunteering, please contact the Volunteer Committee Chairperson by email at volunteer@azalohafest.org or visit our website at www.azalohafest.org for the link to the information and application. <i>Volunteers that pre-register for a full shift will receive free parking and a t-shirt.</i></p> <p>Our volunteer sign-up process is all online now and each volunteer can choose the place and time they wish to volunteer. All communication is done via email. Descriptions of volunteer positions and sign ups are posted in January at azalohafest.volunteerhub.com</p>
Publicity, Website, Facebook, etc.	<p>Please provide information for a Press and publicity packet.</p> <p>The media (newspaper, TV, magazines) requests information and photographs of the various performing groups at the Festival. If you have not already done so in the past, please include the group information or history with your application, a website address if you have one, and include (or email) any photos that we can use. Please note that the items may not be returned to you.</p>
